REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 CFR 1.322

Dear Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

What is claimed is:

At col. 10, claim 35, line 1, currently reads "35. The apparatus of claim 30, wherein the subatomic particle is a muon."

In the Examiner's Amendment, which accompanied the Notice of Allowability, the allowed claims were renumbered after the cancellation of claims 30-35. Applicant notes a typographical error in the dependency of Claim 35. Claim 35 should depend on "renumbered claim 34" and read as follows:

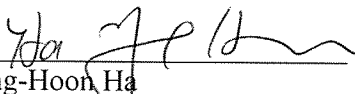

--35. The apparatus of claim 34, wherein the subatomic particle is a muon.--

Pursuant to 37 C.F.R. § 1.322, the patentee respectfully requests the issuance of a Certificate of Correction in the above-identified patent. This correction is the fault of the U.S. Patent and Trademark Office.

No additional fees are believed due in connection with this request. However, please charge any additional costs or credit any overpayment to Deposit Account No. 08-0219. Consideration and entry of the Certificate of Correction is respectfully requested

Dated: September 26, 2007

Respectfully submitted,
